

2-MINUTE PUBLIC COMMENT SCRIPT

(Template for Speaking at a City Council or School Board Meeting)

BEFORE YOU SPEAK

Most public comment periods are limited to 2–3 minutes. Practice reading this out loud once — it should take about 90 seconds to 2 minutes. Speak slowly; it's not a race.

Good evening. My name is [YOUR NAME], and I live in [CITY/COMMUNITY NAME] / my [CHILD/CHILDREN] attend [SCHOOL NAME].

I'm here tonight to ask you to think carefully before restricting artificial turf fields in our community.

[FIELD NAME] is where my [FAMILY/KIDS/TEAM] play. It's one of the only places that's open reliably, rain or shine.

I understand there are environmental questions, and they deserve real answers. But I also want you to think about what happens to kids when fields close: they don't move somewhere else — they just move less.

Nationally, 1 in 5 kids is classified as obese, and that number is connected to how much safe space kids have to be active.

I'm asking you to look at the full picture — not ban turf outright, but require safe materials and keep the fields our kids depend on open.

Thank you for your time and for listening to families like mine.

WHEN YOU FINISH

Say your name once more if asked, then stop — you don't need to fill the full time limit.
